THE HAND TO HAND HELPER

A BUSINESS FUNDING PROGRAM

Are you in need of funding for your business or for money-generating programs you are working from home? **I have the solution for you** and you find the funding doesn't have to be for "business only" projects. **You WILL receive money via this funding program!**

The creator and administrator of this program saw the power of a system that raised funds for people in need. I'm sure you have heard of "GoFundMe." As an online system, it provided funding for people who needed help at the time. It has provided a way for millions of dollars to be given to others.

As an entrepreneur, he was also, well aware, of the funding needs of other entrepreneur-type people who are trying to generate income from home. Having the available funds to properly advertise and take care of business expenses is a "must" when building a business or income project so that profits can take over.

He also wanted a way to give a hand up to several people at-a-time for giving a hand out is only temporary and does not provide on-going funding. By providing a vehicle to make this happen, he would create a way of **people helping people as they help themselves.**

Thus, the **Hand To Hand Helper** was created! He took how "GoFundMe" works and added some additional features that appeal to the business community. **Helping several people at-a-time was of utmost importance to him.** The enclosed flyer details how it works and is as simple as handing out or mailing out the flyer.

The power of the **Hand To Hand Helper** is in how easy it is to duplicate, thus creating available funding for participants as they help others to do the same. **It really is a people helping people approach to funding business projects or even helping to combat personal debt.**

As this project creator said, he can make it available and administer it, but only if others are willing to participate. He often says this: *"You can lead a horse to water, but you can't make it drink. You can, however, make it thirsty and even then it is still up to the horse!"*

I would like to invite you to look at the enclosed flyer and join me in this people helping people project! **You receive money as you help others receive money! Win! - Win! - Win!**

BONUS! If you join at the \$500 level, I will send you 200 Forever stamps! If you join at the \$1,000, I will send you 400 Forever stamps! If you join at \$2,000, I will send you 600 stamps!
